Local artists Jesse Palter and The Alter Ego and hip-hop duo Substance both emerged victorious in the first-ever Kyles Files and Pradagi Foundation track-off collaboration. The extended track-off, also featuring finalist International Maverick, had more twists than an M. Night Shyamalan flick and ended in a tie so close that both were named winners. The groups

will perform live May 27 at the Mayne Event and can be heard on Vocalo radio and seen on WYCC-TV. Vote in a new track-off every Monday.
